

ESTES PARK, COLORADO

ROCKY MOUNTAIN NATIONAL PARK

MEETINGS

Estes Park is nestled in a mountain valley surrounded by snow-capped peaks ranging in elevation from 8,500 feet to over 14,000 feet. Located at the eastern edge of Rocky Mountain National Park, the Estes Valley is one of the most desirable, full service conference/meeting destinations in Colorado.

Activities flourish here. Unsurpassed recreation and beauty, over 2,000 lodging units plus 300 shops and restaurants help make Estes Park a truly unforgettable experience for today's busy conference attendee.

Whether the comfort of a living room setting for a strategic planning session, the elegance of a historic hotel for a board retreat, the relaxation of a mountain resort for team building, a guest ranch for a sales team meeting, the professional environment of a conference center or corporate hotel for a large event, Estes Park has it all. The Town's conference center, many parks and the fairground complex are also available for groups with indoor and outdoor programs or large exhibit needs.

You'll find the moderate climate and 300+ days of sunshine a year are a big plus when planning a group program. Activities abound in the Estes Valley, including guided hikes, scenic tours in the National Park, great golf, wildlife

watching, fly fishing, horseback riding, stargazing, water and snow sports and much more. We can put the fun and adventure in your schedule.

Daily shuttle service to and from Denver International Airport, local taxis and a free local public shuttle service offer convenience and ease for the meeting planner and conferee alike. Limousines, vans and buses are available locally and regionally for charters.

The Estes Park CVB staff will assist with suggestions and arrangements for your next meeting. Whether it's a group barbecue with a cowboy singer, an evening dine around, tying your program to a special event or festival or acquiring a local speaker to welcome the group, we can make it happen.

Providing an unsurpassed natural setting, the Estes Valley is considered one of the finest, full service conference/meeting destinations in Colorado.
