

ESTES PARK, COLORADO

ROCKY MOUNTAIN NATIONAL PARK

REUNIONS

Have you been elected to plan your next family, school or military reunion? While some reunions are very large, others are relatively small. Estes Park is a special place to get reacquainted for any size group.

As a great year-round location, each season brings new delight to residents and visitors. Spring brings newborn elk calves, bird migrations and morning dew at sunrise. Enjoy beautiful tundra flowers or a casual stroll along the downtown Riverwalk in the summer. Stunning autumn color and the great entertainment we call "the show" provided by the local elk herds, will delight everyone. Mild winters bring snow-capped peaks to the Continental Divide, special value season rates and a time to enjoy fun family winter sports. Consider every season when planning your next reunion.

Whether visiting for a day or a week, the Estes Valley can accommodate your group with activities for all ages. Lodging choices include everything from cozy cabins and cottages, to elegant rooms and suites plus bed and breakfasts and a variety of camping options. Some offer meal plans, others

banquet facilities and some provide catering services. Many include kitchens and barbecue grills so you can prepare meals individually or as a group. There are options for every style and budget.

Need to find a spot for a softball or volleyball game? How about a fishing tournament or rodeo tickets? There's miniature golf, horseback riding, horse-drawn hayrides, musical entertainment and scenic tours plus equipment rentals for sledding and ice-skating. The staff at the Estes Park CVB can help. From locating a photographer for your group picture to guides for a river rafting trip or snowshoe trek, Estes Park has it all.

For large or small reunions, Estes Park is a special place to bring people together to get reacquainted.
